

Person 17 – View\Update Person Provider Roles

The following preconditions must be met:

1. Successful log into MOHSAIC TB Disease application.
2. Search and select party

Business Rules

1. At any time when the system is preparing to display or saving information, the system may show a "Building ... page..." or "Please wait..." message in the right section.
2. Comments/Notes cannot be edited. They can only be removed prior to being saved. Punctuation and upper/lower case is allowed for notes.
3. Users may add and edit information before it is added to the database, but cannot update after the person records have been saved. Some items may only be removed.
4. QA and Admin users may add and edit information before and after the person records have been saved. Some items may only be removed.
5. Error messages are shown in red above the section of the screen.
6. At any time when you click **Cancel** at bottom of screen, the screen is reloaded.
7. Person must be at least 18 years of age for Provider Roles to be added.
